Yeah, a nice night.
What a nice night! Don't you think so?
Maki-guchi!
A man who knows the battle-field.
It's a sign that you know me... a sign that we're very alike.

A god of death who sinks his opponents in a sea of blood.
There isn't a soul in the underworld who doesn't know your name
I've heard the rumors about you.
ズズズ
I heard you were dead, but... I'm so glad I could meet you.
JESUS!!
Dammit!

This is a 3 inch combat python.
Over-whelmingly useless.
He's got an M-16 rifle with a starlight scope.
Tch! This is bad news.

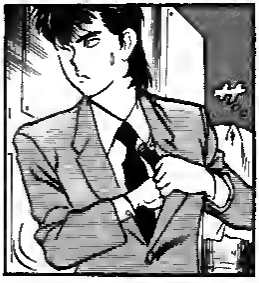
I heard everything was scattered after the fall of the Soviet union.
But there seems to be an out-pouring of things like these.

Why?
Why can't I win against him?

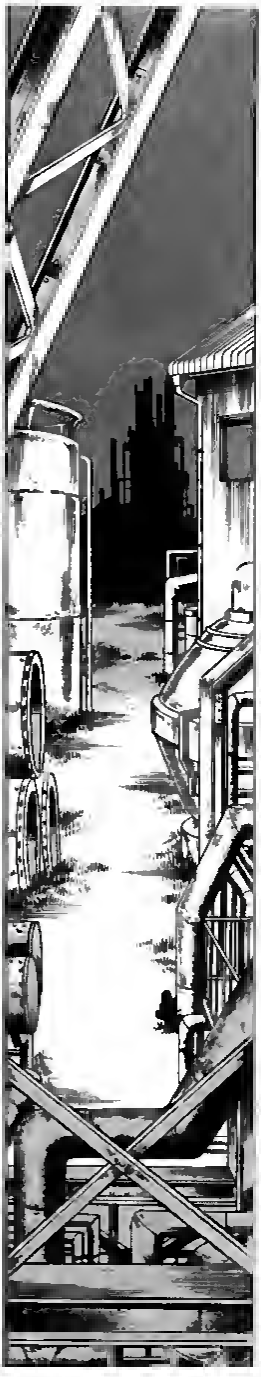
ウウ…



A panther can only live by fighting.
One beast meets another and awakens him, am I right?
Of course I am, and I'll be the one to awaken your inner beast.
That's why I've come here, Jesus!
To kill, me!
To be killed!

Now, kill me!
To kill you!
.....
I'll kill you!
It's a courtesy among monsters like us.
Those who live on are only cursed by the living.

GOTCHA!



That's it...
This is my only line of fire.

ハア…
You and I are both sad creatures.
Good-bye, panther.

Jesus!

That's my name. Remember it on your way to hell.

What a bitter taste.

Who the hell are you...
Why do you rile me up so much?
I don't get it one bit!

Wait! Fuji-sawa!

And then I'll give you such a beating, you'll be groveling at my feet.
I mean it, this is war!
But, someday I'll expose your true colors!
That kid resembles the old you, doesn't he?
Do as you like

In a situation like this, not shedding a single drop of cold sweat ... where does a calmness like that come from? Damn!
Fujisawa Shingo, exactly who are you?

ガガガ

Lei-surely swit-ching guns while keeping their fingers on the trigger ...
They're hope-lessly lower than ama-teurs.
However, if you stir them up they'll just start shooting reckless-ly, so they're still dan-gerous guys.

These are the group of robbers who killed five people?
Yeah.
It's a group of three, in possession of a shotgun.
If we excite them, it could be a dangerous situation.
Excite them, huh ...
Shoot in some tear gas and let the police break in.
The blinds are down, I can't get a good shot!
How's the timing?
When the next two shots fire, that's when we go.
These guys are the kind of sissies we can take down in two shots. After that, they'll take too much time to reload.

From the exterior, it looks China-made.

You wanna die?
Fujisawa Shingo, if it's you, these kind of guys are nothing. You can show 'em what's what.
But will I? I am Jesus ...
Oof!

Kid, what are those eyes for?!
I'll make a bloody heap of you!
I'll crush your little skull!
I really hate kids like you!

Please stop it!

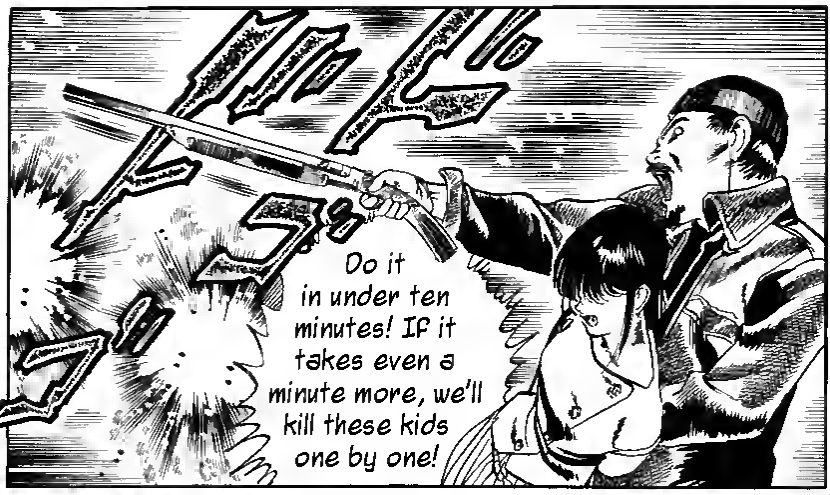
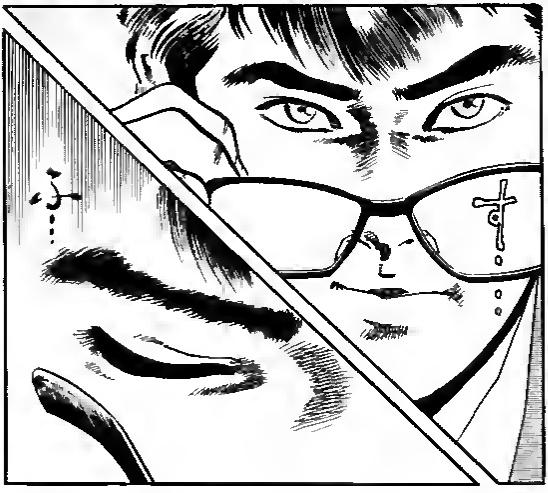
What the hell? This isn't about you, sit your ass down!
I'm a teacher! Don't you lay a hand on my students!

Aah! Let me go!
ガヲガヲ
Heh heh heh
.....
We're letting go all the other hostages, except this woman!
Give us a car!
Hey, what do we do with her?
If we use her as a hostage, we can get away.
Good idea. And after, we can have a bit of fun too



Do it in under ten minutes! If it takes even a minute more, we'll kill these kids one by one!

That was two shots!



Once there was a tale of a man who coloured himself in the blood of others.
Others called him a god of death whose terrifying aim struck down his every target
Some called him a proud warrior ...
Wah!
Someone's there!
This man took the enormous drug stash of an organization, and so he came to be hunted.
Don't you move!

すー
Shit!
And then, in order to trick his enemies, in order to escape,
using the body of a man who was his spitting image, he faked his own death.

Dam-mit!
He seemed by all accounts to be a normal, everyday citizen. But in thinking so, there was just one miscalculation...
You idiot, you shot your own guy!

That was, that the man who looks just like Fuji-sawa Shingo was a real teacher!

The police report stated that the three robbers had died from shooting one another.
At 9:28 a.m, the case came to a close.

Very soon, I'll expose your true identity.
That was your doing.
Hm, maybe.
My name is Fujisawa Shingo, as well as Jesus!
A professional in assassination and warfare, in the guise of a teacher!

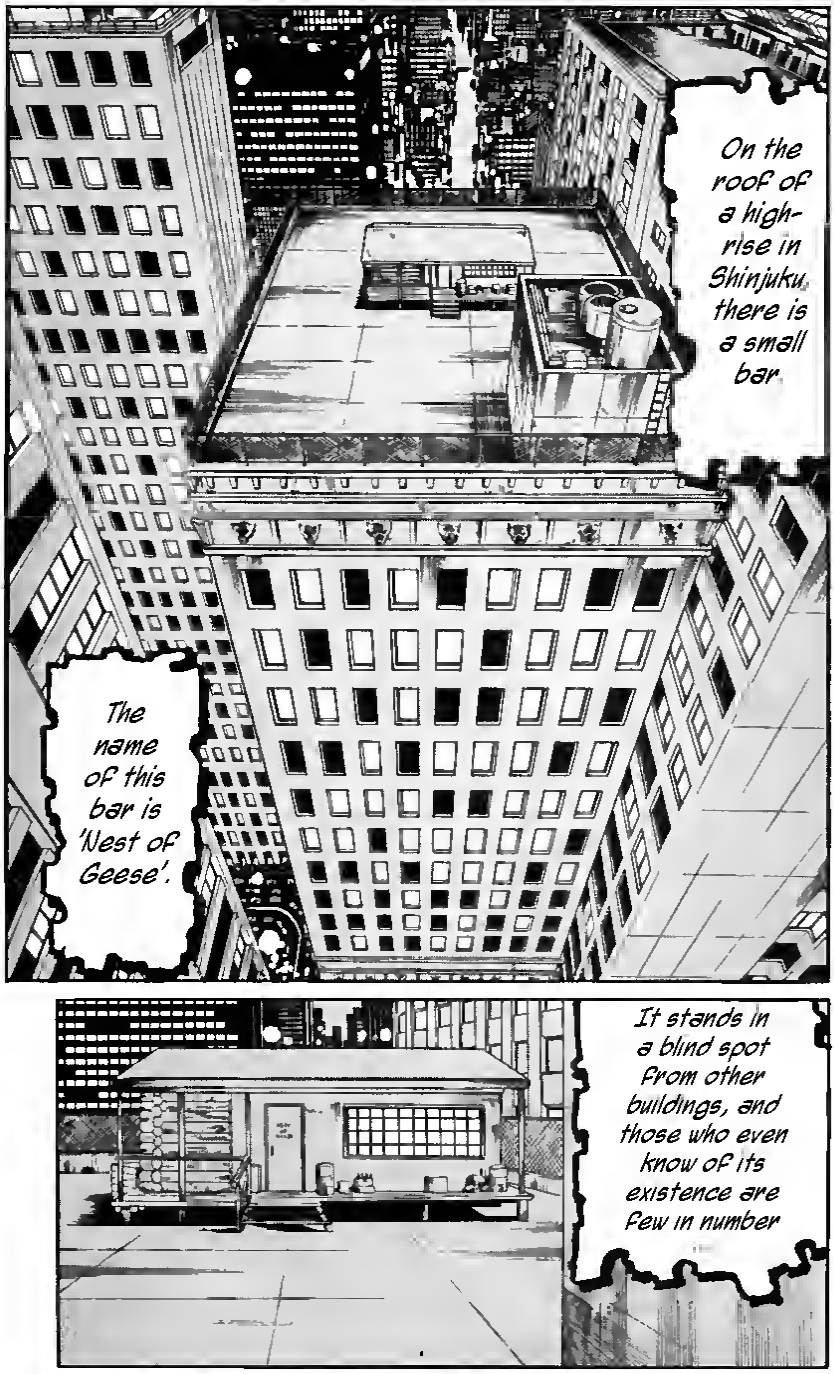
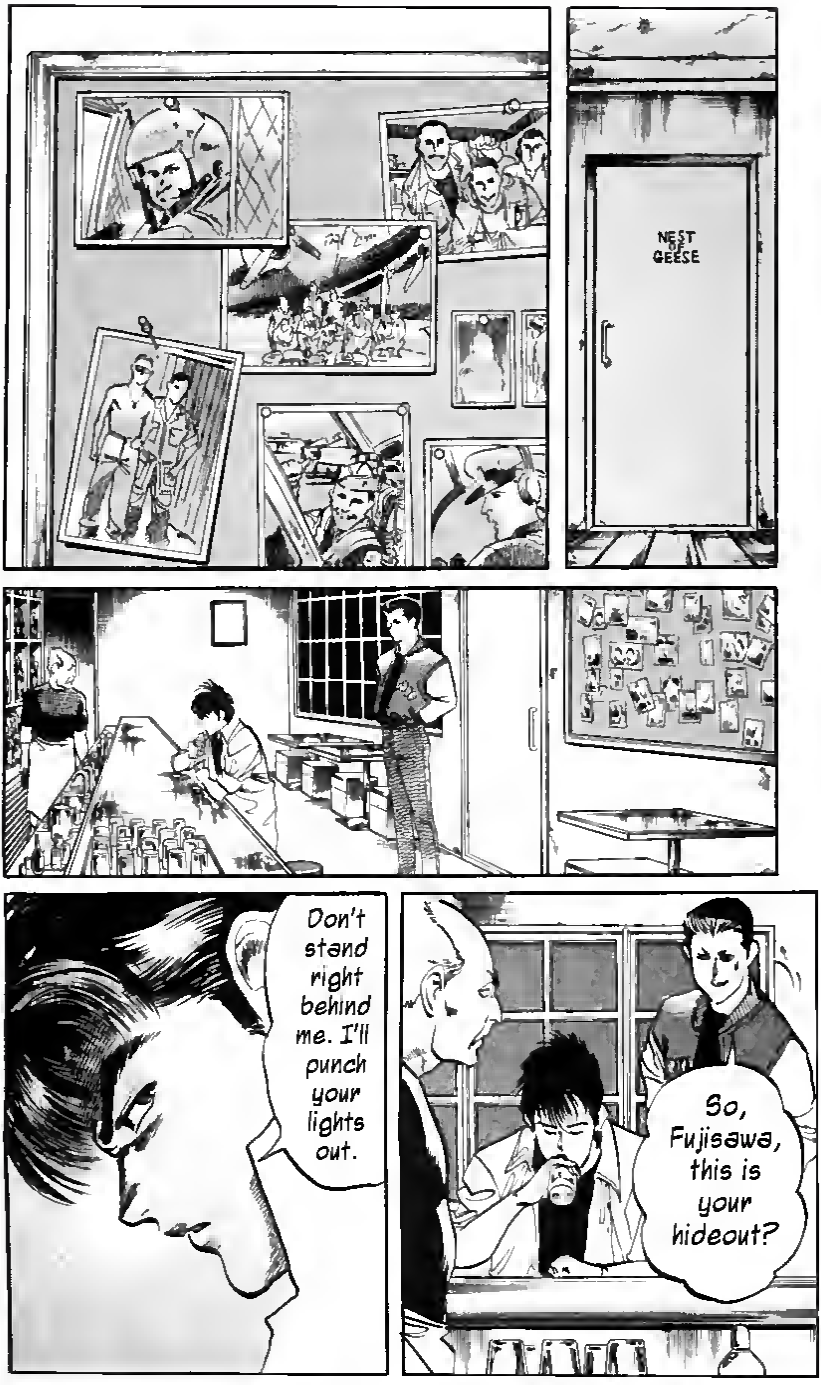
That person saved me when I was drugged and captured.
Now that I think of it, the same person must have saved my brother, Hiroshi.
Surely, we'll never meet again.
The only things I remember are being halfway in a dream, the warmth of his chest, and his back as he dashed away in the wind...

Even now, are we living under the same sky?
I wonder what he's thinking right now?
And what must he be doing?



On the roof of a high-rise in Shinjuku, there is a small bar.
The name of this bar is 'Nest of Geese'.
It stands in a blind spot from other buildings, and those who even know of its existence are few in number



NEST OF GEESE
So, Fujisawa, this is your hideout?
Don't stand right behind me. I'll punch your lights out.

Hey, Fujisawa, would you believe it? That I'm really a nice person?
That's a strange theory. Who said that?
C'mon, Fujisawa, laugh. I, who declared war on you, was called nice.
She said I could knock her down but I wouldn't, because I'm nice.
Ah, I see ... that's very like her.
The teacher Mizutani.

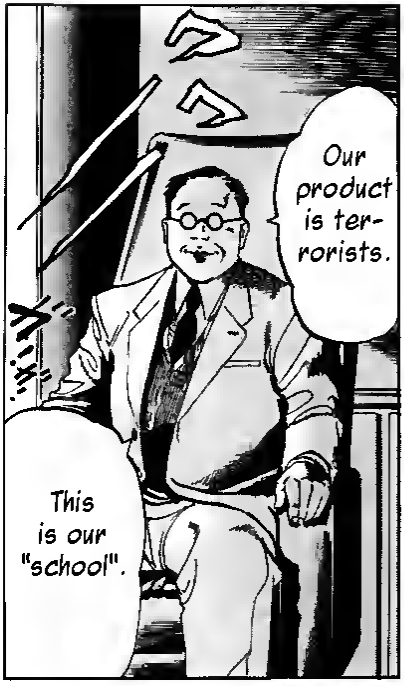
W-why would you say such ...!
Simply calling us a "school" is fine.

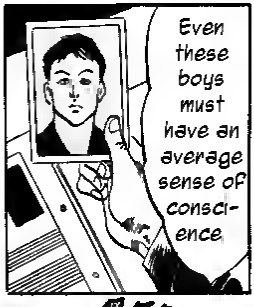
To all appearances, we are a halfway house for lost boys and youths, but we are actually a "factory".
Those who enroll are young men whom society has cast out.

From here on, the auction begins. All our buyers are members of terrorist organizations. And our products are the children we have trained.



Our product is terrorists.
This is our "school".

There is no such sense remaining in them; do not worry.



Even these boys must have an average sense of conscience.

Can these "products" of children carry out subversive acts of sabotage?

So now, they take advantage of every opportunity to slaughter.
Their "education" is a truly terrifying experience.

Please allow us to give you a demonstration in order to show the true quality of our products.
Presently, it is about to start in the tournament arena above us.

Hey! Where do you think you're going?
The feast of slaughter has begun ...

Disregarding things like metal detectors and x-rays, the best weapon is in fact a man whose entire body is weaponized.
In assassinating officials, the most effective tool is neither the bomb nor the gun.

That bastard Kazuma ...! Where'd he disappear to?
Father ...
Seiji ...

Our demonstration... is the assassination of the VIPs.
Watch closely! You will soon see them dyed with blood.

Fuji-sawa-sensei!
The air's chan-ged ...
What hap-pen-ed?
This at-mosphere you could cut with a knife, I know it well ...
The air of the battle-field!

Clark? Where are you? Are you okay?
Clark Kent, mild-mannered reporter
can do nothing in this situation
Instead, this looks like a job for ...
Super-man!

They've come to turn the VIP guests into a sea of carnage!

What are you all?!

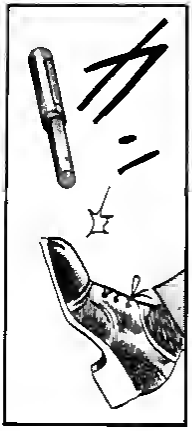
An Even More
Dangerous Game③

Am I...
really this weak, after all?
Dammit ...
Seiji!

Ch! No way I'm gonna drag this out!



Waah!
Quickly, take shelter over here!
Seiji!

?!

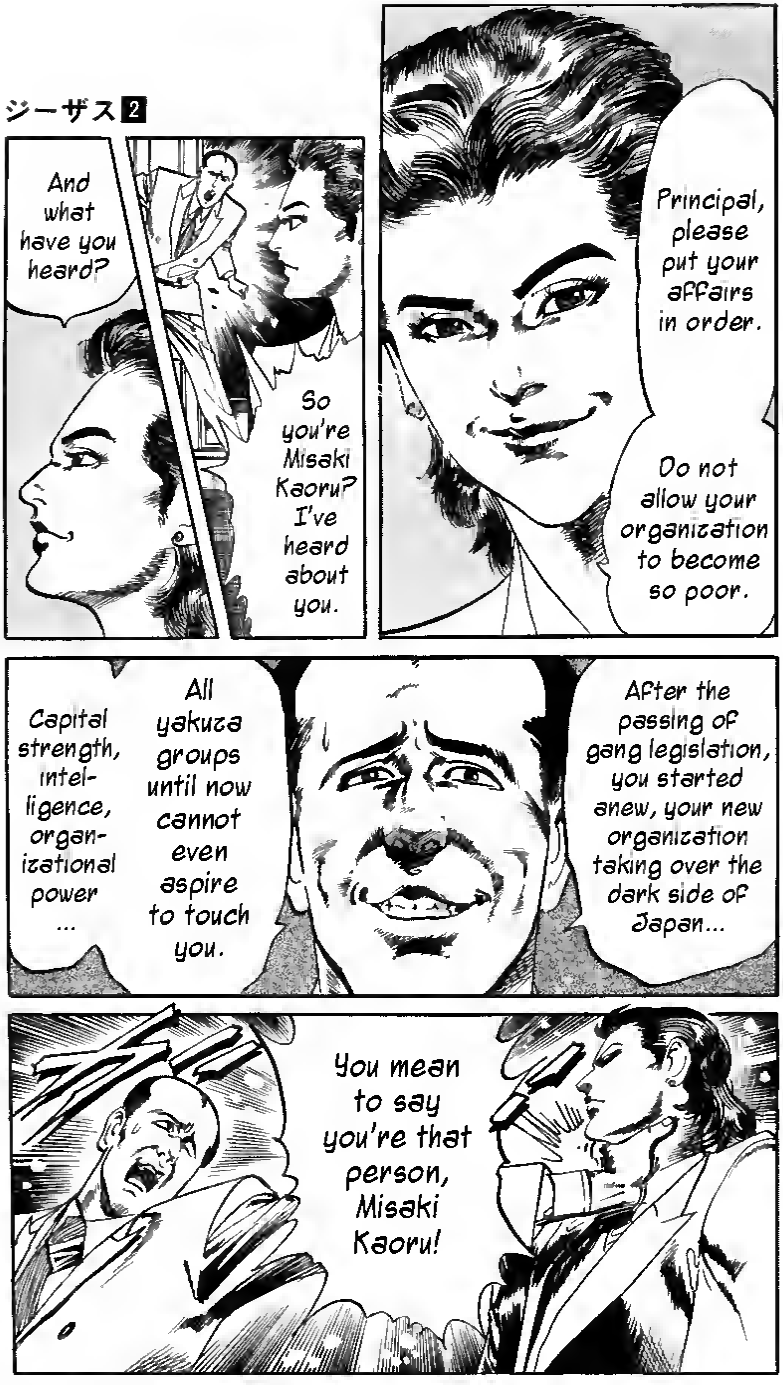
.....
Wh-
what on
earth is
going
on?

Is that you, Fuji-sawa?
!

Then who are you, to be able to do them in?!
Don't overdo it. These guys are professional fighters, highly skilled assassins.
That was a pretty good punch. But, I won't be toppled by something like that.

Looks like your auction ends here.
.....
Has the operation ... failed?

M-Misaki-san!
It seems like your organization will have to rethink its true standing.
It's not good business to invest in something useless.
ガーン!
Please wait, Misaki-san!



Principal, please put your affairs in order.
Do not allow your organization to become so poor.
And what have you heard?
So you're Misaki Kaoru? I've heard about you.
After the passing of gang legislation, you started anew, your new organization taking over the dark side of Japan...
All yakuza groups until now cannot even aspire to touch you.
Capital strength, intelligence, organizational power ...
You mean to say you're that person, Misaki Kaoru!

You, what you've done, I don't like it one bit.
Some day, I'll snap that dainty little neck of yours.
.....
Do you intend to kill me, Houma-san?

Who turned this kid into a killing machine?
I see ... Houma.
Houma Ryousuke, the assassination instructor ...

Did you say auction?!
Th-the underground... auction house.. settling our... prices..
Hey! Where is Houma now?
taking kids and making them assassins to order?
Assassination is a dirty job, but ...
I'm a professional assassin, so I would know!
That bugs the hell out of me! Houma! You're just money hungry!

Dammit, where the hell's Fujisawa?
